

JAY GATSBY AS "A MILLION DREAMS"

"Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're
gonna make"

This song resonates with Gatsby because both the lyrics and the tone of the song reflect his deep idealism, ambition, and unwavering pursuit of a dream that defines his life. His vision of a life with Daisy is an illusion because it ignores reality and can never come true.
