

NICK CARRAWAY AS "THE OTHER SIDE"

"Okay, my friend, you want to cut me in
Well, I hate to tell you but it just won't happen
So thanks, but no, I think I'm good to go
'Cause I quite enjoy the life you say I'm trapped in
Now I admire you and that whole show you do
You're onto somethin', really, it's somethin' "

This song represents Nick because it mirrors his journey from being an outsider with traditional values to being tempted by the glamorous world of the wealthy elite. However, he never fully gives in to Gatsby's lifestyle because he sees their world as shallow and corrupt.
