

# JORDAN BAKER AS "TIGHTROPE"

"Mountains and valleys and all that will come in  
between  
Desert and ocean  
You pulled me in and together we're lost in a  
dream  
Always in motion  
So I risk it all just to be with you  
And I risk it all for this life we choose"

This song represents Jordan and her love for golf because she chooses to become a competitive female golfer in an era when women were expected to be reserved and reliant on men. She risked her social image to be independent and chase her dream because she loved golfing so much.
